

Do you want everyone to know your business?

When you sell your nursery, do you want its picture in the paper?

Do you want your staff and parents to know that you are selling and how much money you are hoping to get?

If so, don't be surprised if your staff start to look around because they don't know whom they'll be working for.

Don't be surprised if parents start to melt away because they don't know who'll be looking after their children.

Don't be surprised if your competitors start to tell interested enquirers that your nursery is about to change hands and they have no idea who might be taking it over.

And don't be surprised if you end up losing business and the sale price you were looking for.

Alternatively you could decide to find out how STC sell nurseries without any of these risks and pitfalls. Just call our Northern or Southern office today and talk to our friendly, experienced staff.

(And, of course, if you're a buyer we'll be just as discreet as we are with our sellers.)

***No lock-in period *No upfront costs to buyers or sellers
